

AMENDMENTS TO THE DRAWINGS

A replacement Figure 3 is provided with this Amendment. The replacement Figure 3 corrects the transition from operation 310 to operation 304 when the result of operation 310 is "NO." Support for this correction is found on page 21, lines 15-17, of the specification. Also, the "END" operation has been labeled "316" to be consistent with the description provided on page 21, line 9, of the specification.
